Dear Plan Member:

Our Firm is the legal plan provider for the members of the Pima Corrections Association.

Our lawyers and staff have experience in numerous areas of law, so we encourage you to take full advantage of your membership benefits concerning any work-related or personal legal matters. It's easy! All you have to do is:

- Call our front office number (520) 623-1461.
- State that you are a PCA member and briefly state the nature of your legal question so that we may refer you to the most appropriate attorney.
- Speak directly with one of our attorneys, or if one is not immediately available, leave a phone number and your call will be returned within 24 hours. If your question requires additional time, we may schedule an appointment for you to come to the office to discuss the matter in more detail.
- For emergency representation regarding critical job-related incidents, we have a critical incident line which will be answered 24/7. All you have to do is dial 1-877-217-7099, and the answering service will arrange for one of our attorneys to contact you, even after office hours. (To be used in emergency situations only.)
- While our firm does not handle Bankruptcy issues, the PCA has made arrangements with two Bankruptcy attorneys who are willing to provide representation to PCA members at reduced rates. You may contact John Gravina (520-795-4330) or Lisa Thompson (520-882-5633) with your Bankruptcy questions.

The first thing you may want to consider as a member is the Will benefit under the plan. This benefit alone is worth the price of one year's membership in the PCA. If you or your spouse are in need of a Will, Living Will or a Healthcare Power of Attorney, simply call. We will schedule an appointment with you and prepare your documents at no additional charge. We look forward to serving your legal needs.

Very truly yours,

Thomas A. Benavidez
